L-functions and Multiple Zeta functions

15–17 December 2026

Alladi Ramakrishnan Hall, The Institute of Mathematical Sciences
Chennai, India

Invited speakers

Ramachandran Balasubramanian
The Institute of Mathematical Sciences, Chennai, India

Suhita Hazra
Chennai Mathematical Institute, India

Masanobu Kaneko
Kyushu University, Fukuoka, Japan

Gaurav Kumar
The Institute of Mathematical Sciences, Chennai, India

Kohji Matsumoto
Aichi Institute of Technology, Aichi Prefecture, Japan

Sunil Naik
Indian Institute of Technology Palakkad, India

Maki Nakasuji
Sophia University, Tokyo, Japan

Biplab Paul
Indian Institute of Technology Bhubaneswar, India

Simon Rutard
The Institute of Mathematical Sciences, Chennai, India

Masatoshi Suzuki
Institute of Science Tokyo, Japan

Yuta Suzuki
Aichi Sangyo University, Okazaki, Japan

Koji Tasaka
Kindai University, Osaka, Japan

Deep Thakur
The Institute of Mathematical Sciences, Chennai, India

Yuichiro Toma
Waseda University, Tokyo, Japan

Registration

Deadline: 15 November 2026

Register at the conference website.

Poster session

Session: 15 December 2026

Submission deadline: 15 November 2026
